

Journey to the Ultimate Boon: Mapping the Hero's Journey onto the Astrological Chart With Joy Vernon

Do you feel like you are lacking direction?

Everything's great except that you're wandering aimlessly through life. You know that you have a purpose here, but sometimes you're not sure if you're on the right track to expressing it.

The Universe has a gift for you

Your soul purpose is your Ultimate Boon—the gift the universe has for you. Your astrological birth chart is the treasure map to find it. The knowledge to read this map is within you, you only need a different viewpoint to see it.

See your life from a new perspective

The Empyrean Key process gives you that new perspective so that you can see where you are and where you're trying to go. Combining astrology and tarot with Joseph Campbell's mythological structure, you will develop your own personal road map to your desired success.

No experience necessary!

But you don't need to know anything about astrology, tarot or Joseph Campbell! You only need a desire to know yourself. The Empyrean Key process provides simple, easy-to-follow steps for using your intuition to understand and apply these universal archetypes. You will continue to see benefits long after the workshop is over and you can apply this step-by-step system anytime. No knowledge of tarot or astrology is necessary!

Two Day Workshop!

Two Saturdays ☽ November 12 and 19 ☽ 9 a.m.-5 p.m.

Institute for Spiritual Advancement, 4176 E Florida Ave, 80222
